

So you can't make it to Advocacy Day...

We understand that it can be difficult to make it to Advocacy Day. Here are a few actions you can take on February 16 or any other day of the year:

On February 16 or another day participate in a conference call between your legislators and constituents gathered at a specific time and central location. The WAC and LPPO will attempt to schedule conference call appointments that are requested by a church or churches in your legislative district.

Pray! Pray for your elected officials that they make just decisions. Mention your legislators, the governor and other elected officials in the prayers of the church during worship services.

Sign Up! Become a FAN on the Faith Advocacy Network. You will be alerted to timely actions you can take and emails you can send to appropriate officials by joining the Faith Advocacy Network at www.thewac.org.

Write! Write a letter or send an email to your state representatives concerning an issue that is important to you. You can also organize an "offering of letters" at your congregation. To find your legislators, go to www.thewac.org and click on **Find Elected Officials**. To send an email, write your legislator's lastname.firstname@leg.wa.gov. (For example: doe.john@leg.wa.gov.)

Call! Call your state representatives using the **TOLL FREE** number, **1-800-562-6000**. Weekdays: 8:00am-8:00pm
Weekends: 9:00am-1:00pm. You can also call their office directly.
